Career Objective

Motivated Computer Science student with strong foundations in Web Development and Machine Learning, seeking opportunities to apply technical skills and problem-solving abilities to real-world projects. Passionate about building scalable applications and leveraging AI/ML for impactful solutions.

Education

B.Tech in Computer Science & Engineering	Sri Sai College of Engineering and Technology	[2024 – Present]
Class 12 (CBSE) – 85%	DAV Public School	2024
Class 10 (CBSE) – 80%	Bharat Singh Public School	2022

Internships & Training

• Frontend Web Development Intern – Approved by AICTE

• AI & Cloud Intern – IBM, Approved by AICTE

• Artificial Intelligence Intern – CODEC Technologies, Approved by AICTE

• Full Stack Development Course – Udemy

Projects

• Real-time Language Translation App (Hackathon Project) – Built with Groq for text & audio translation.

• Financial Literacy & Fraud Awareness Mobile App – React Native project for a hackathon.

• Anonymous Confession & Community Platform – Website for students to post confessions & chatanonymously.

• Attendance Management System (AI-powered) – Automated student attendance with facial recognition.

• YouTube Video Downloader – Python + Streamlit project for downloading videos.

Technical Skills

Programming Languages	Python, Java, C, C++
Web Development	MERN (MongoDB, Express.js, React.js, Node.js), HTML, CSS, Tailwind CSS
Tools & Platforms	Git/GitHub, Firebase, Streamlit, Django
Machine Learning & AI	Basics of Supervised, Unsupervised & Reinforcement Learning

Certifications

• Full Stack Development – Udemy

• AI & Cloud – IBM (AICTE Approved)

• Web Development – AICTE

Additional Information

• Hobbies: Coding, Gaming, Exploring AI/ML applications

• Languages: English, Hindi
